## LOKAL VORSTELLUNG

Die Geschichte zu unserer Namensgebung:

Die moderne Bezeichnung „Taiwan“ geht auf den Namen eines Ureinwohnerstammes im Südwesten der Insel zurück, nach dem die niederländischen Kolonialherren im 17. Jahrhundert die Gegend um das von ihnen zwischen 1624 und 1634 errichtete Fort Zeelandia (Tainan) als „Tayowan“ oder „Tayovan“ (es existierten unterschiedliche Schreibungen) bezeichneten. Der Name bezeichnete ursprünglich nur die Stadt Tainan, wurde später auf die gesamte Insel ausgedehnt und im Chinesischen als „Taiwan“ lautlich nachgebildet.

Bekannt ist die Insel auch unter dem vor allem früher verwendeten Namen Formosa, der ihr von portugiesischen Seefahrern verliehen wurde (nach „Ilha formosa“, portugiesisch für „schöne Insel“).
